

PTO Communication

The Burrell PTO strives to keep parents and guardians informed about the events and happenings of the PTO and the school. We are fortunate to have various ways to communicate to parents about PTO events, meetings, and general information.

PTO Weekly News Flash Email

The PTO sends via email using our Google Group email database. The News Flash includes information about PTO events, upcoming programs, meeting minutes and volunteer opportunities as well as including notices and signup forms.

If you have information or updates that you would like to be included in our News Flash, we encourage you to contact our PTO secretary: Alisa Steel at alisa.steel@gmail.com

Email Distribution

The PTO uses a Google email group, which enables us to send mass emails to the Burrell Community. To receive emails from the PTO via the Burrell Google Group, please check the appropriate box on the Email Database Sign-Up Form or contact Alisa Steel at alisa.steel@gmail.com

Only authorized PTO members (usually committee chairs or Board members) can send emails regarding PTO or Burrell School information. No business, personal promotions, or solicitations are allowed.

Burrell PTO Information on Facebook

Our Facebook page is where we post school related information, updates on events and provide useful links for parents: <https://www.facebook.com/Burrellpto>

PTO Website

The PTO website, located at <http://foxborough.k12.ma.us/burrell/pto> contains helpful information for parents. This resource includes committee descriptions, calendar of events, announcements, upcoming meeting agendas, current and archived meeting minutes, contact information, and important organizational documents. If you have any suggestions on what should be added to the PTO website, please contact a Board member.

We welcome your feedback. If you have any suggestions on how the PTO can improve communication, please contact a Board member or email the general PTO mailbox at burrellschoolpto@gmail.com
